Our fourfold promise to you:

- We'll plan the work on your project in partnership with you and your designer to create a landscaped space which will give you great pleasure.
- We'll use trained people who will work safely, be supervised properly, and use the right equipment and materials for your project.
- We'll respect your time, your home and your family. We'll turn up when we promise and if we're delayed by weather or unforeseen circumstances we'll keep you informed.
- We'll respect your budget and highlight any technical or other issues before they become potential problems.

OAK VIEW LANDSCAPES

After every project we ask our customers to give us feedback on their landscape experience and to mark our performance on a scale of 1-10 across ten aspects. We consistently score in the high 90s and here's what they had to say:

- *"I chose Oak View as I wanted to have a high quality and problem free driveway project and I am pleased to say this was the case. High quality workmanship."*
H.M., West Bergholt.
- *"So professional and everything was easy for us - we love our garden."* G.B., Colchester.
- *"From start to finish the project went smoothly. There were no hidden extras, staff were polite, cheerful and helpful and it was good value for money."* C.J., Downham.
- *"Our new driveway is a real contrast to how it looked before, all your craftsmanship transformed it to have that special look much admired by neighbours and friends."*
P.K. West Bergholt.
- *"The crews that attended to the extensive works were a credit to your organisation. They were careful, thorough and conscientious."* R.M., Benfleet.
- *"Having engaged a professional landscape architect to design our new garden, we needed an equally professional contractor to deliver the design and specification with care and diligence. Oak View exceeded our expectations in every aspect and we are delighted with the finished project."*
J.G. Kelvedon.
- *"Efficient and smooth process of installation, very stress free."* S.I., Little Hadham.
- *"A good team, willing to help and advise to achieve the best results."* M.G., Tollesbury.
